

Set Up

5 minutes now can save you hours later!

1. **Apply Decals in Advance:** Use the *bead line* and window cleaner for a perfect job.
2. **Open Frame with Loops on Top:** The 80% recycled content, 3/8" thick steel frame literally sets up in seconds. Make sure that the "double bar" is on top when setting up the frame.

3. How to Lock the Bag to the Frame

Pull Through: Work from inside to outside. Using two hands, pull top edge of bag through the double bar toward you approx. 6".

Push Over: Still using two hands, push the top edge of the bag over the double bar approx. 6", catching the corners.

Tighten: Now, grasp both sides of the bag. Pull down and in to tighten around the corners. Repeat on other side.
