available on OFS website, seeking collaboration opportunity with UA units

KEY TAKEAWAYS

- For your specific situation, we recommend taking public transit to 424 W. Martin Luther King Jr. Blvd. as the most efficient option when considering yearly expense, traffic, and parking challenges. It is the most efficient option in regard to yearly expense and dealing with commuting and parking.
- You would save \$8 a day, totaling up to \$1998 a year by switching your transportation mode from car to transit!
- "Walking takes longer, for example, than any other known form of locomotion except crawling. It stretches time and prolongs life. Life is already too short to waste on speed." — Edward Abbey

Parking Zones Now Required!

You now must start and end your ride in required parking zones on campus.

You can find parking zones by looking for the blue "P" on the app map.

Sounds good!

SUSTAINABILITY PASSPORT

EARTH WEEK 2022

UNIVERSITY OF
ARKANSAS

SUSTAINABILITY PASSPORT

Welcome to the University of Arkansas Office for Sustainability's Sustainability Passport for Earth Week 2021. The Sustainability Passport is a curated list of sustainable activities, crafts and events to take part in and win prizes! The more activities you complete in the passport the more prizes you can earn.

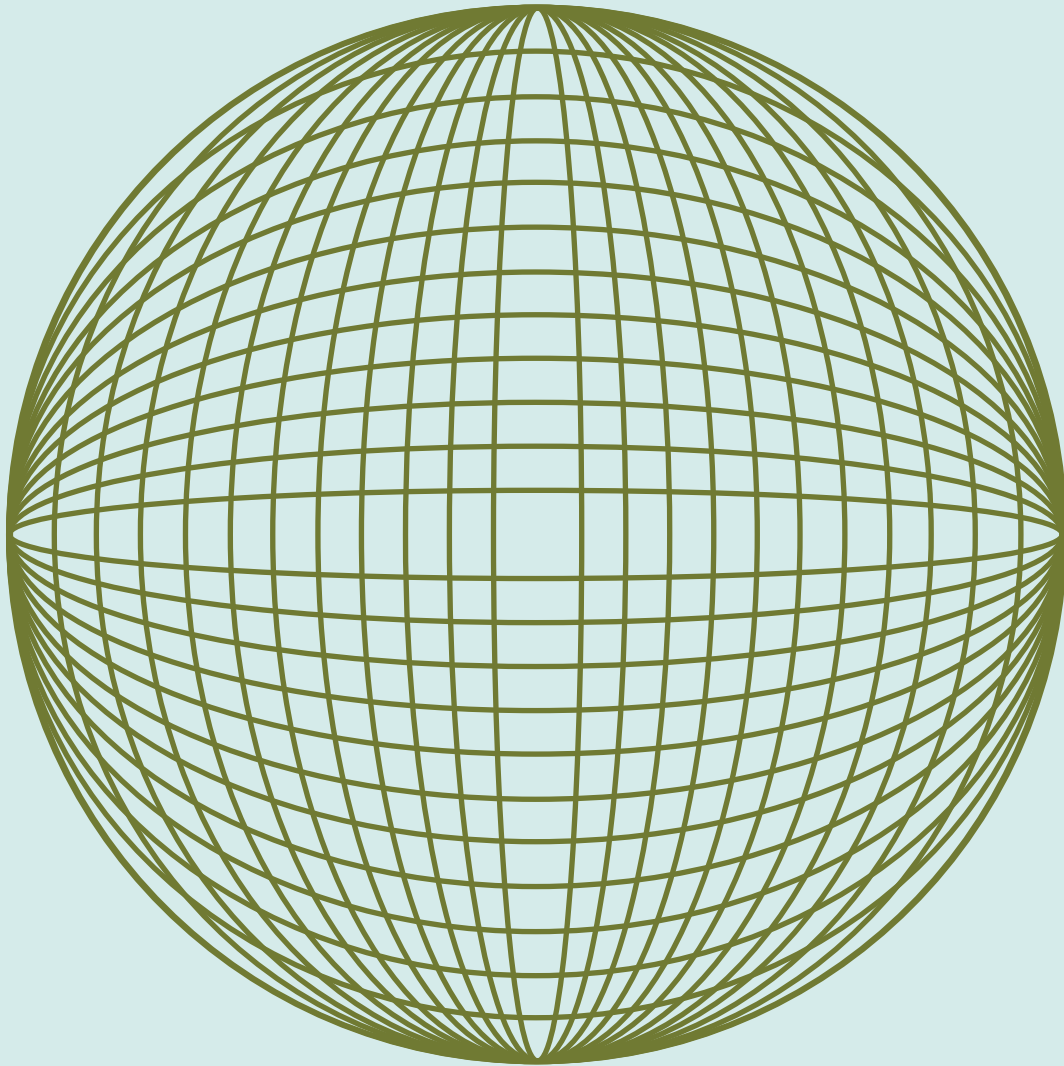

To take part in the Sustainability Passport, choose any of the activities below, and take a photo of yourself or of the activity. **Once you have completed the activity, send your photo and the activity to sustain@uark.edu and your stamp will be recorded.** Collect as many stamps as you can between April 19th and April 25th, to win a myriad of prizes!

Passport examples for 2022:

- Oak Ridge Trail Cleanup
- Sustainability Minor Capstone Presentations
- Grow alfalfa sprouts in a jar
- Sierra Club Campus Cleanup
- Maple Hill Garden Workday
- Commute to campus not in a car
- University Programs Earth Day Event
- Re-purpose or DIY an old item into something new and useful
- Plant a pollinator friendly plant
