

RESPONSIBLE PURCHASING

Do I need to purchase this item?

All products have an embodied environmental impact. Can this item be rented or borrowed? Can this item be purchased used or refurbished?

At the end of the product's service life, is it disposed of sustainably?

Can it be recycled, refurbished, or otherwise repurposed? Will the disposal of this product keep waste out of the landfill?

Is the product the most efficient of its kind?

All materials have environmental impacts. Give preference to products that last longer, weigh less, and/or are made with recycled content.

Does the product have a third party certification?
